

Finding a journal to browse

Go to <https://library.sunderland.ac.uk/>

The screenshot shows the University of Sunderland Library Services homepage. At the top, there is a navigation bar with links for Accessibility, My Sunderland, Staff, and Students. Below this is the University of Sunderland logo and a main navigation menu with links for Home, Find resources, Services and support, Learning spaces, About us, and Contact us. A search icon is also present in the top right. A secondary navigation bar contains a link for Online helpdesk and Library building opening hours. The main content area features the heading 'University Library Services' and a 'Library Search' section with a search input field containing the placeholder text 'title, keyword, subject, author' and a search icon. Below the search field are three radio buttons for 'Books and eBooks', 'Journal Articles', and 'Research Repository'. To the right of the search section is a vertical list of buttons: 'My Account', 'My Module Resources', 'My Subject Resources', 'Journal Titles', and 'Databases A-Z'. An orange arrow points from a yellow callout box containing the text 'Click on "Journal Titles"' to the 'Journal Titles' button.

About the journal

The Lancet is an independent, international general medical journal founded in 1823 by Thomas Wakley. Since its first weekly issue (October 5, 1823), the journal has strived to make science widely available so that medicine can serve, and transform society, and positively impact the lives of ...
